

AMENDMENT UNDER 37 C.F.R. § 1.312
U.S. Patent Application No. 10/671,711

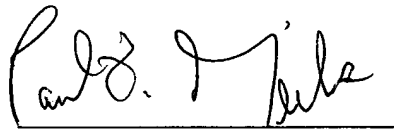

REMARKS

In the Examiner's Amendment included in the Notice of Allowance mailed September 29, 2004, the Examiner inadvertently did not add the last two lines of claim 13. Applicants are therefore filing this Amendment in order to reflect claim 13 in its entirety.

The changes being made are simply editorial in nature and no question of new matter or questions of further search arise.

Entry and consideration of this Amendment are respectfully requested.

Respectfully submitted,

A handwritten signature in cursive script, appearing to read "Paul F. Neils", written over a horizontal line.
